

**FRANCESKA O. SCHROEDER**

**PUBLICATIONS AND PRESENTATIONS**

*How the Entrepreneur Can Benefit From the Regulatory Environment*, International Symposium for Personal and Commercial Spaceflight (ISPCS) 2011, Las Cruces, NM (October 20, 2011).

*What You Really Need to Know to Comply with Encryption Rules*, Washington Metro Chapter of the Association of Corporate Counsel (WMAACCA) Global Issues Forum, Washington, D.C. (October 5, 2011).

*Understanding U.S. Export Controls*, the International Space University's Executive MBA Program, George Washington University, Washington, D.C. (June 28, 2011).

*Mitigate Risks Within the Current Global Anti-Corruption Landscape*, CBI Bio/Pharmaceutical Legal Congress, Washington, D.C. (June 7, 2011).

*Federal Laws and Regulations: Creating an Environment That Really Does "Encourage and Facilitate,"* The National Center for Remote Sensing, Air, and Space Law, "The Future of Commercial Space Law and Regulation," Washington, D.C. (June 7, 2011).

*U.S. Sanctions Demystified: A Primer on Key Requirements, OFAC Agency Structure, and Who to Contact for What*, American Conference Institute's 4th National Forum on OFAC Enforcement and Compliance, Washington, D.C. (April 26, 2011).

*U.S. ITAR Reform*, 5th Annual Lincoln Space Law Conference hosted by The University of Nebraska College of Law, Lincoln, Nebraska (April 19, 2011).

*ITAR: The Path Forward*, International Symposium for Personal and Commercial Spaceflight (ISPCS) 2010, Las Cruces, NM, (October 20, 2010).

*Congressional Notification: Reducing the Risk of Satellite Export, Service and Launch Delays*, American Conference Institute's 3rd National Forum on Satellite & Space Export Controls, Washington, D.C. (September 29-30, 2010).

*Understanding U.S. Export Controls*, the International Space University's Executive MBA Program, George Washington University, Washington, D.C. (June 16, 2010).

*Minimizing Trans-shipment and Diversion Risks*, American Conference Institute's 3rd European Forum on Economic Sanctions, London, England (March 23, 2010).

*SEC Commences FCPA Investigation of Pharmaceutical and Other Companies Doing Business in or with Countries Designated as State Sponsors of Terror*, Fish & Richardson Client Alert (May 2009).

*Space Law in the Transatlantic Arena: Cooperation, Competition and Comparison: ITAR and U.S. Export Controls*, the University of Nebraska College of Law Space & Telecom Law Conference, Washington, D.C. (November 20, 2009).

*ITAR Reform*, Society of Satellite Professionals International, Washington, D.C. (October 22, 2009)

*Conference Chair, American Conference Institute's 2<sup>nd</sup> National Forum on Satellite & Space Export Controls, Washington, D.C. (October 2, 2009).*

*U.S. Export Controls, Trade Embargoes and Economic Sanctions Programs: Compliance and Ethics Challenges for the Aerospace Industry, American Bar Association Forum on Air & Space Law Annual Meeting and Conference, Chicago, Illinois (September 24, 2009).*

*Message in Both Words and Action: Justice and SEC Expected to Ramp Up FCPA Enforcement Against Technology, Medical Device, Pharma, and Defense Industries, Fish & Richardson Client Alert (March 2009).*

*U.S. Delegation to the Legal Subcommittee of the United Nations Committee on the Peaceful Uses of Outer Space, Private Sector Advisor, Vienna, Austria (Spring 2009, 2008, 2003, 2002 & 2000).*

*Presentation on U.S. Export Controls to the Center National d'Etudes Spatiales (CNES), NASA Headquarters, Washington, D.C. (March 6, 2009).*

*The 3<sup>rd</sup> Eilene M. Galloway Symposium on Critical Issues in Space Law: Operating a Space Business Under National Laws that Implement Article VI of the Outer Space Treaty, The Cosmos Club, Washington, D.C. (December 11, 2008).*

*Justice Department Report Shows Increased Enforcement of Export Controls, Fish & Richardson Client Alert (November 2008).*

*Space & Telecommunications Law & Policy: Looking Back at the Past Eight Years, Looking Toward the Next Four – ITAR as Applied to Space Activities, the University of Nebraska College of Law Space & Telecom Law Conference, Washington, D.C. (November 14, 2008).*

*Understanding U.S. Export Controls, Fish & Richardson Seminar for European Companies, Munich, Germany (November 7, 2008).*

*Space Insurance: Meeting Both Insurance Policy and ITAR Obligations, American Conference Institute's National Forum on Satellite & Space Export Controls, Washington, D.C. Area (September 25, 2008).*

*Charting the Future of Private Human Spaceflight: Space Law Considerations, American Bar Association Forum on Air & Space Law Annual Meeting and Conference, Montreal, Canada (September 19, 2008).*

*Exploring Space ITAR Reform, Space Frontier Foundation Annual Conference, NewSpace 2008: Creating the Future or Living in the Past, Washington, D.C. (July 17, 2008).*

*Interview: Franceska Schroeder, Res Communis, The University of Mississippi School of Law Aerospace Blog (July 9, 2008).*

*Outer Space Law Blasts Off – Overview of U.S. Export Controls, American Bar Association Teleconference (March 19, 2008).*

*Overview of U.S. Export Controls and Their Effect on an Emerging Space Adventure Industry, the American Astronautical Society 46<sup>th</sup> Goddard Memorial Symposium, Greenbelt, Maryland (March 5, 2008).*

*Legal and Regulatory Challenges and Opportunities – Not Just for the Commercial Space Industry*, American Bar Association Forum on Air & Space Law Update Conference, Washington, D.C. (January 31, 2008).

*The 2<sup>nd</sup> Eilene M. Galloway Symposium on Critical Issues in Space Law: Using Law to Turn Obstacles Into Opportunities, Discussion of the U.S.-U.K. and U.S.-Australia Defense Cooperation Treaties*, The Cosmos Club, Washington, D.C. (December 6, 2007).

*Penalties for Certain Export Control and Sanctions Violations Increased Significantly*, Fish & Richardson Client Alert (November 2007).

*Reach to Space Conference: The Future of Space Commercialization*, George Washington University, Washington, D.C. (November 13, 2007).

*Making Money in Space: Issues, Applications and Law*, American Bar Association Forum on Air & Space Law Annual Meeting and Conference, Memphis, Tennessee (October 5, 2007).

*Engineering Space Commercialization: Overview of Principal Regulatory Issues Affecting Commercial Space and Satellite Projects*, the American Astronautical Society 45<sup>th</sup> Goddard Memorial Symposium, Adelphi, Maryland (March 20, 2007).

*The Law and Policy of Public and Private Space Ventures*, American Bar Association Forum on Air & Space Law Update Conference, Washington, D.C. (February 1, 2007).

*The Business Landscape of Commercial Remote Sensing: Overview of Principal Regulatory Issues*, NOAA/USGS Commercial Remote Sensing Satellite Symposium, Washington, D.C. (September 13, 2006).

*Export Controls on Aerospace Equipment*, American Bar Association Forum on Air & Space Law Annual Meeting, Montreal, Quebec, Canada (September 30, 2005).

*Legal Issues in Space Lift: Treaties and Export Controls*, the American Astronautical Society 42<sup>nd</sup> Goddard Memorial Symposium, Greenbelt, Maryland (March 17, 2004).

*Department of Homeland Security Issues Interim Safety Act Regulations and Releases Application* (October 22, 2003).

*Limitation of Liability Under the Safety Act For Suppliers of Anti-Terrorism Technologies* (October 7, 2003).

*Commercial Space: Looking to the Future*, the 6<sup>th</sup> Annual Federal Aviation Administration Commercial Space Transportation Forecast Conference, Washington, D.C. (February 11, 2003).

*Balancing Interests of the Commercial Space Sector and U.S. National Security*, presented at the Cantigny Conference Series, American Bar Association Standing Committee on Law and National Security, Wheaton, Illinois (June 28, 2002).

*The U.N. Treaties on Outer Space and Their Effect on Space Business*, published in The Air & Space Lawyer, Vol. 16, No. 4, at 8 (Spring 2002).

*Space, Now and Then: Understanding the Commercial and Military Implications*, presented at the 2002 Air and Space Conference, Washington, D.C. (March 6, 2002).

*American Astronautical Society: Workshop on International Legal Regimes Governing Space Activities*, General Chair, Scottsdale, Arizona (December 2–6, 2001).

*Commercial SATCOM: The Effects of Space Law on the Space Business*, the Armed Forces Communications and Electronics Association's Understanding US C<sup>4</sup>ISR Course, Fairfax, Virginia (March 6, 2001).

*Navigating the ITAR: Recent Developments, Coming Attractions and Lessons Learned*, the 2000 Boeing Delta and Sea Launch Users Conference, Orlando, Florida (October 18, 2000).

*The Five International Space Treaties: A Private Sector View*, presented at the International Space University's Symposium on the Space Transportation Market: Evolution or Revolution?, Strasbourg, France (May 25, 2000).

*39<sup>th</sup> Session of the Legal Subcommittee of the U.N. Committee on the Peaceful Uses of Outer Space*, presented to the AIAA Legal Aspects Committee, Crystal City, Virginia (May 11, 2000).

*DBS's Legal & Regulatory Maze – Finding the Winning Compromise*, the Carmel Group's DBS 2000: The Five Burning Questions, Los Angeles, California (March 8, 2000).

*The Three Bi-Lateral Agreements*, the American Astronautical Society's Seminar on International Trade in Commercial Launch Services: What Framework for the 21<sup>st</sup> Century?, Washington, D.C. (January 25, 2000).

*Military and Commercial Satellite Communications and the Legal Environment: A Half-Day Interactive Workshop*, presented at SMI's The Future of Military Satellite Communications Conference, London, England (October 13, 1999).

*Military and Commercial Satellite Communications and the Legal Environment: Key Legal Issues Facing Governments and the Commercial Space Industry*, presented at SMI's The Future of Military Satellite Communications Conference, London, England (October 11, 1999).

*Financing the Race for Critical Mass, Key Distribution Channels & Market Share*, IIR's 4<sup>th</sup> Annual Space & Satellite Finance Conference, (June 15, 1999) (moderator of the panel on Licenses, Regulations and Trade Agreements — Their Effect on Satellite and Launch Services Financing).

*Commercial Space Transportation in the 21<sup>st</sup> Century: Technology and Environment, 2001-2025*, the 2<sup>nd</sup> Annual Federal Aviation Administration Commercial Space Transportation Forecast Conference, Washington, D.C. (February 10, 1999) (member of the panel on The Law in Space: A Case Study).

*New Support For Commercial Space*, published in Satellite Finance, Issue 9, (December 10, 1998).

*The U.S. Domestic and International Regulation of Commercial Remote Sensing Satellite Systems*, presented to the PetroSat 98 Conference, Houston, Texas (November 18, 1998).

*Launching Satellite Projects — Key Legal and Finance Issues*, the 1998 Boeing Delta and Sea Launch Users Conference, Orlando, Florida (October 7, 1998).

*The Space Market*, International Space University, Summer Session 1998, Lecture on Insurance Liability in Access to Space, Cleveland, Ohio (July 31, 1998).

*Manfred Lachs Space Law Moot Court Competition*, International Institute of Space Law of the International Astronautical Federation, Judge (1995–1998).

*Earth System Science, Remote Sensing and Applications*, the American Astronautical Society 36<sup>th</sup> Goddard Memorial Symposium, Greenbelt, Maryland (March 19, 1998) (co-chair of the panel on Commercial Remote Sensing Opportunities).

*Legal and Regulatory Framework for Commercial Space Activities*, presented at the Washington, D.C. offices of the European Space Agency for the American Astronautical Society's International Programs Committee (January 16, 1998).

*Recent Developments in Commercial Space Law*, presented at McGill University, Institute of Air and Space Law, Montréal (February 21, 1997).

*Satellite Projects: Finance, Risk, Procurement and Legal Liability*, presented at The 1996 Asia Pacific Telecoms & Media Finance and Investment Summit, Hong Kong (June 24, 1996).

*Developments in Agreements on International Trade in Commercial Launch Services*, published in ECSL News (May 1996).

*Telecommunications Act of 1996 Signed*, published in The Metropolitan Corporate Counsel, (April 1996).

Seminar on Legal Issues in Commercial Space Transportation: *Cross Waivers of Liability, The Commercial Space Launch Act and Federal Procurement*, presented at Willis Corroon Inspace, New York (February 29, 1996).

*An Update on the Rush to Provide New Satellite Services*, presented at the Information Management Network Conference — Managing Policy and Regulatory Changes in Telecommunications and Media, Washington, D.C. (January 1996).

*Beyond the Adventure: The Development and Utilization of Space*, the American Astronautical Society National Conference and 42nd Annual Meeting, Marina Del Rey, California (December 1995) (Chairperson of the Conference Planning Committee).

*Trends in Interparticipant Waivers of Liability*, presented at the International Bar Association, Section on Business Law, Committee Z — Outer Space, Paris (September 1995).

*Developments in U.S. Bilateral Launch Service Agreements — National Space Transportation*, 19 Air & Space L. 326 (December 1994) (co-author).

*Response to the White House Request for Information on the Development of a National Investment Strategy to Meet Future U.S. Space Transportation Requirements*, Vol. 19 J., Practical Applications to Space at 169 (Spring 1994) (co-author).

*Privately-Owned Commercial Telecommunications Satellites: Licensing and Regulation by the Federal Communications Commission*, 27 Cal. W.L. Rev. 107 (1990-91) (co-author). (The FCC cited this article in its April 8, 1992 Separate Systems Order (FCC 92-95)).
