Overview

About Adi

Adi Williams is an associate in the litigation group in the Washington, D.C., office of Fish & Richardson P.C. His practice focuses on all aspects of intellectual property litigation and advising, both at the trial and appellate level. He possesses technical expertise in the mechanical and aerospace engineering fields, including in the area of computational fluid dynamics. In addition, he is experienced in patent prosecution, having conducted prior art searches, drafted patent applications, and responded to office actions.

Prior to joining the firm, he served as a judicial law clerk to the Honorable Pauline Newman of the U.S. Court of Appeals for the Federal Circuit and the Honorable Susan G. Braden of the U.S. Court of Federal Claims. Additionally, his prior experience includes working as an intellectual property litigation associate in the Washington, D.C., office of a large international firm.
