Overview

About Andrea

?Andrea Dorigo is a principal in the Munich and Southern California* offices of Fish & Richardson. Dr. Dorigo has a background in chemical/pharmaceutical arts, as well as experience in both patent-related aspects (patent preparation, prosecution, FTO, and client counseling) and transactional aspects (contract drafting including MSA, MTAs, and IP provisions in licensing agreements) of intellectual property. He also has extensive experience in various aspects of licensing agreements, including due diligence analysis of licensor patents and negotiations of key IP provisions.??

*Not admitted to practice in California.
