## Overview

---

### About April

April Sunyoung Park is an associate in the Washington, D.C., office of Fish & Richardson P.C. Ms. Park works in Fish's patent litigation group, focusing on all aspects of patent infringement matters in the U.S. district courts and before the U.S. International Trade Commission (ITC). Ms. Park has experience representing clients in various stages of patent litigation, including development of technical positions on infringement and invalidity, fact discovery, claim construction, and drafting briefs before U.S. district courts and the ITC. Representative technologies Ms. Park has worked on include semiconductor devices, digital signal processing for televisions and smartphones, graphics processing units, and automated teller machines. Ms. Park was previously a summer associate of the firm, and served as a research intern for the Korean Naval Embassy.
