## Overview

---

### About Bernard

Bernard Cryan is an associate in the Southern California office of Fish & Richardson P.C. He was previously a summer associate with the firm. His practice focuses on patent litigation support in the physical and life sciences. Bernard's pro bono work has focused on guardianship matters in the San Diego area.

Prior to joining Fish, Bernard was an intern to the Honorable Jimmie Reyna of the United States Court of Appeals for the Federal Circuit and an extern to the Honorable John Tunheim of the United States District Court for the District of Minnesota.

Bernard published an article about patent marking in the *Journal of the Patent and Trademark Office Society* (Vol. 101). During law school, Bernard served as an Articles Editor for the *Minnesota Journal of Law, Science & Technology* (Vol. 22), as well as a member of the law school's patent competition team.
