## Overview

---

### About Chris

Chris Reilly is an associate in the Boston office of Fish & Richardson P.C. His practice supports patent prosecution and due diligence investigations in a wide range of electrical and software technologies. Prior to joining the firm, Chris worked as an engineer in the defense industry and at the U.S. Army Research Lab, where he completed his thesis on capacitive sensing techniques in micro-electro-mechanical systems (MEMS). Chris was a summer associate of the firm in 2018.
