Overview

About Jakub

Jakub Kopczak is a European and German patent attorney. He focuses his practice on patent drafting and prosecution, expert opinions on validity and infringement, and counseling in the entire field of mechanical engineering. Jakub further has significant experience in opposition and appeal proceedings, particularly in the field of medical devices.

He is admitted to practice before the European Patent Office, the German Patent and Trademark Office, the German Patent Court, the Federal Supreme Court in nullity proceedings, and the European Unified Patent Court.

Before practicing IP law, Jakub was an officer in the German Federal Armed Forces. He studied aeronautics at the University of the Federal Armed Forces in Munich. Prior to joining Fish, Jakub worked for more than eight years in a renowned Munich-based IP law firm.
