Overview

Jessica Li focuses her practice on patent prosecution and counseling. With a technical background in computer science and engineering, she is well-versed in software, electronics, artificial intelligence/machine learning, user interface/user experience design, and computational chemistry. She was previously a summer associate with the firm in 2020 and 2021. During law school, she was production editor and communications editor of the *Harvard Journal of Law & Technology*.

Outside of her practice, Jessica is an aspiring pastry chef, painter, pianist, and string bassist.
