Overview

About Julianne

Julianne Campbell is an associate in the Washington, D.C., office of Fish & Richardson P.C. She was previously a summer associate with the firm in 2019 and 2020. She focuses her practice on patent litigation support in electrical and computer technologies. Prior to joining Fish, Julianne was a summer patent extern at the United States Patent and Trademark office. She served as a Managing Editor for the Vanderbilt Journal of Entertainment and Technology Law while a student at Vanderbilt Law School.
