Overview

About Nan

Nan Lan is a litigation associate in the Dallas office of Fish & Richardson P.C. She returned to Fish after being a summer associate in the firm in 2019 and a judicial extern for the Honorable Amos L. Mazzant III of the U.S. District Court for the Eastern District of Texas in 2018.

Prior to joining Fish, Nan worked in management consulting with a focus on corporate finance and process improvement. She has also worked in business data analytics, franchising, trademark registration, and trademark litigation, and served clients in a wide range of sectors including healthcare, petroleum, hospitality, and consumer goods.

Nan studied chemical engineering with a concentration in biomolecular engineering, and she has extensive research experience in ionic lipids and their interactions with lipid bilayers.
