## Overview

---

### About Noel

Noel Chakkalakal has more than two decades of experience in representing Fortune 30 clients in telecommunications, computers and e-commerce in patent prosecution, litigation and licensing.

He has prosecuted and drafted patents related to telecommunications, computer software, web services, data storage and other technologies. Noel has also counseled clients on patent litigation, general litigation and patent licensing matters, and assisted on formulating IP strategy.

Noel served as an extern to the Honorable A. Joseph Fish, former chief judge of the U.S. District Court for the Northern District of Texas. In his prior career, he was a technical consultant and systems engineer for Hewlett-Packard Co.
