Overview

About Steffen

Steffen Lake is an associate in the Atlanta office of Fish & Richardson P.C. His practice focuses on intellectual property litigation. Steffen is experienced with multiple stages of litigation in U.S. district courts, state courts, and U.S. International Trade Commission (ITC) proceedings. He has experience litigating technologies such as agrochemicals, mobile phone applications, videoconferencing devices, automobile parts, and image processing software. In addition, Steffen is a registered patent attorney who assists clients in managing various post-grant proceedings before the Patent Trial and Appeal Board. Steffen was previously a summer associate at Fish in 2017 and 2018, where he worked on matters involving telecommunications, internet and 5G technology, and biotechnology patents.

Prior to his legal career, Steffen worked across broad range of technologies, ranging from high-energy physics research to in-home air quality product testing.
