Fish & Richardson is a global patent prosecution, intellectual property litigation, and commercial litigation law firm with more than 400 attorneys and technology specialists in the U.S. and Europe. Our success is rooted in our creative and inclusive culture, which values the diversity of people, experiences, and perspectives.

Fish is the #1 U.S. patent litigation firm, handling nearly three times as many cases as its nearest competitor; a powerhouse patent prosecution firm; a top-tier trademark and copyright firm; and the #1 firm at the Patent Trial and Appeal Board, with more cases than any other firm. Since 1878, Fish attorneys have been winning cases worth billions in controversy – often by making new law – for the world’s most innovative and influential technology leaders.
